

JOYBELLS
(Eric Bibb/Glen Scott/Tommy Sims)

Chorus:

Joybells keep ringin'
In my heart, in my heart
Joybells keep ringin'
In my heart, in my heart
Voices keep singin'
To my heart, to my heart
Voices keep singin'
To my heart, to my heart

When I see thousands of names
Carved in stone –
Names of fallen soldiers
Fightin' for freedom –
That's what we told 'em
Now they're gone
With their names carved in stone

I think: where are the names
Of the ones hung from a branch
Who never had a chance – naw, naw –
While the crowd smiled at the camera
While the smilin' crowd
Looked into the camera

Chorus: Joybells...

But their mothers, fathers, sisters, brothers

Who, somehow, carried on...
